Agistment

All paddocks are individually fenced and have auto filling water troughs supplied from our dam. Each horse is allocated two paddocks to allow irrigation and pasture all year round. At least one shelter will be available per horse. Paddocks are only suitable for one horse per paddock.

At Javarcy Park we offer DIY, full care to holiday care.

DIY – \$12.50 per day/per horse

Full Care – \$25 per day/per horse (owner to supply feed)

- Rugs changed morning and night
- Feed morning and night

Casual/Holiday Care – \$35 per day/per horse (owner to supply feed)

- Rugs changed morning and night
- Feed morning and night

Other Services

Other services such as Farrier/Veterinary/Massage/Chiropractor are available as we have regular qualified people in these fields attend our property regularly. As an agistee you will be notified when any of the above mentioned will be attending.

Occasional feeding can also be supplied to agistees when needed, at a rate of \$5/day.
