

Terms & Conditions

General Conditions

- All agisters are expected to be polite, courteous and thoughtful to their fellow colleagues.
- All manures (outside of your paddock) must be picked up before leaving the property.
- It is compulsory that your horse is vaccinated for strangles. Any new horse will require a vet certificate to confirm all vaccinations.
- Although we love dogs, we request that you leave yours at home.
- In the unlikely event you wish to leave Javaracy Park Equine we require 2 weeks notice.

Payment

Agistment is due fortnightly. Your co-operation with payments being made on time will be expected and appreciated. Invoices will be emailed out with due date listed. Payment is required by EFT to the following bank account;

Legal

It is a sad fact that businesses have to make enormous efforts to protect themselves from frivolous and vexatious litigation. To this end each rider will be required to sign a risk and warning waiver before arrival, as shall any person who may rider your horse. Our policy is no waiver, no ride. You will also be required to sign an agistment contract. All riders must use an Australian Standards Approved riding helmet and all riders and handlers must use the appropriate protective footwear.
